If you had to make a choice...

Would you sacrifice ...

Your mobile or the TV

Meat or vegetables

All your friends or your best friend

Arm or a leg

Doing homework or going out with friends

A week's pocket money or a tin of chocolates

The Wifi code or your data allowance

Your pet or your best friend

Never play sport again or listening to music

Your game station or your bed

Breakfast or lunch

No more sun or no more rain
